STUDENTS SATISFACTION SURVEY REPORT (SSS)

The institute ensures that the students are provided various platforms to reach the authorities with their suggestions and feedback. Apart from the formal feedback taken from the students. They can convey their concern if any, through a suggestion box placed at the main entrance. Also the students can send their suggestions through college email. The IQAC made the provision of getting feedback from students about the functioning of the college through a proforma (**Over all Appraisal of the College**) Overall satisfaction is thoroughly evaluated through the feedback. To assess the outcomes of the college, student satisfaction survey was conducted on different components given in the proforma. There are total 16 components in the proforma and 5 point rating scale is used for assessing the feedback. It has been found in the statistical analysis that the academic environment of the college is quite good and the training methodology used by teachers is innovative. Dealing of administrative staff is good with the students. Time to time Principal visit to different classes to check the teaching methods adopted by the teachers and discipline among the students. It has been found in SSS report that sufficient infrastructure facilities provided to the students in the campus. The students have given different opportunities for their intellectual development. It is revealed in SSS report that there is good coordination and interaction of teachers with students. Also found that library and laboratory facilities are excellent.
